

*About our Guest Speaker
Lee Fairchild*

Lee Fairchild earned a Bachelor of Arts degree from the University of California, Berkeley. He earned Master of Science (structural geology) and Doctor of Philosophy (volcanology/geomorphology) degrees from the University of Washington finishing in 1985. Lee has worked as a petroleum geologist in the subsequent 21 years, first at Exxon, then at a three-person company called Star Path Exploration. Over the last five years he has run his own consulting company and his work is currently based in Oslo, Norway, with secondary work in Dublin, Ireland. When not in Europe, Lee and his wife live near Mt. Hood, Oregon.
